

# OVERVIEW

## 6 NIGHTS 7 DAYS

3NIGHTS WINDHOEK, 1NIGHTS SOSSUSVLEI, 2 NIGHTS SWAKOPMUND

**\$1500 WITHOUT FLIGHTS**

**\$2000 WITH FLIGHTS**

Namibia offers space, silence and the chance to really get away from it all: it's the second least densely populated country on the planet, with only two people per square kilometer. You can drive for hours under huge blue skies without seeing another car, surrounded by landscapes so vast and empty that at times you feel like you're on the edge of the planet. In an overpopulated world, there aren't many places left where you can immerse yourself as deeply in remote wilderness areas as in Namibia.
